

## QUESTIONNAIRE

### POST DOCTORAL RESEARCH FOR PHENOTANDEM PROJECT (ref. 20-010-29722)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a degree in Geography, Biology, Environmental Science or equivalent?		
Do you have proven experience for 2 years working abroad?		
Do you proven experience in innovative use or remote sensing imagery in general, and Sentinel 2 in particular?		
Do you have time series analysis knowledge?		
Do you have advanced level of oral and written English?		
Do you have previous experience participating in research projects?		
Do you have Python programming skills?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
