

## QUESTIONNAIRE

### POSTDOCTORAL RESEARCHER ON FOREST RESILIENCE (ref. 21-003-11748)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a Degree in Forest Sciences, Biology, Environmental Sciences, or equivalent?		
Do you have a completed PhD on a topic related to the current project description?		
Do you have research experience in forest ecosystems, particularly on their response to global change and/or the assessment of forest ecosystem services, as evidenced from prior scientific publications?		
Do you have expertise in resilience theory, its quantification and evaluation?		
Do you have expertise in managing and analyzing databases including data from the literature to conduct reviews, quantitative syntheses or meta-analyses?		
Do you hold a advanced knowledge of English?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
