

QUESTIONNAIRE

POSTDOCTORAL RESEARCHER ON RESONATE PROJECT (ref. 22-001-11748)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a degree in Forest Sciences, Biology, Environmental Sciences, Geography or equivalent?		
Do you have a completed PhD on a topic related to the current project description?		
Do you have research experience on forest ecosystems, particularly on their response to global change and/or the assessment of forest ecosystem services, as evidenced from prior scientific publications?		
Do you have expertise in managing and analyzing large databases?		
Do you have advanced experience in programming and data analysis using R?		
Do you have experience using models in forest ecology or closely related areas of research (beyond purely statistical applications)?		
Do you have advanced knowledge of English?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
