

## QUESTIONNAIRE

### FIELD ASSISTANT FOR HABITAT MONITORING AND FISH SURVEYS IN MEDITERRANEAN STREAMS FOR FISHINDROUGHT PROJECT (ref. 22-037-52786)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a degree or equivalent with training in Ecology (biology, environmental science, conservation)?		
Do you have accredited experience in field work, ideally first-hand experience working with wild animals, in particular fish, and/or experience with environmental monitoring?		
Do you have ability to work independently and work long days in the field?		
Do you have good level of English, oral and written?		
Do you have type B driving license?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
