QUESTIONNAIRE

POSTDOCTORAL RESEARCHER IN BIRD SPATIAL MODELLING AND CONSERVATION RESEARCH IN EUROPE FOR SPEAR PROJECT (ref. 23-045-38822)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you have a completed PhD on a topic related to the current project description (biodiversity modelling/monitoring/global change)?		
Do you have excellent publication record?		
Do you have expertise in biodiversity monitoring projects and biodiversity research (preferably on birds)?		
Do you have proven expertise in spatial modelling and/or Species Distribution Model development?		
Do you have demonstrated experience in advanced statistic programming languages (such as R)?		
Do you have contrasted capacity to lead work and team up with other researchers?		
Do you have previous experience in project management and leadership in a biodiversity conservation context?		
Do you have advanced knowledge of English?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
