QUESTIONNAIRE

POSTDOCTORAL RESEARCHER FOR wildE PROJECT(ref. 23-047-11814)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you have a completed PhD on a topic related to the current project description (e.g., forestry or forest ecology)?		
Do you have excellent scientific publication record?		
Do you have proven expertise in developing or using process-based models of forest functioning and/or dynamics?		
Do you have a strong knowledge of Mediterranean forest ecology?		
Do you have demonstrated high skills in R programming language?		
Do you have contrasted capacity to lead work and team up with other researchers?		
Do you have advanced knowledge of English?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
