

QUESTIONNAIRE

CODE DEVELOPMENT TECHNICIAN FOR THE GEOESSENTIAL PROJECT (ref. 20-020-29668)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a degree in Geodesy and Cartography or equivalent?		
Do you have advanced MiraMon user?		
Do you have demonstrated experience of more than 5 years in C language programming, preferably in the implementation of GIS tools?		
Do you have demonstrable experience of more than 3 years in programming under the Windows API (also called Windows Platform)?		
Do you have willingness to work using the MiraMon set of internal libraries and reuse their code whenever possible?		
Do you have knowledge of data processing and statistical analysis?		
Do you have good knowledge of read and write English?		
Do you speak and write correctly Catalan and Spanish?		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
